Sem 2 2017-18 (Groups and Schedule)
Lecturer: Assoc. Prof. Mohan Gurusamy

_____

1. Lab Groups

    Group-1:   A0113507R to A0143497W
    Group-2:   Others

2. Graduate Assistants (GAs)

        GA-1: Sridharan Vignesh (e0009097@u.nus.edu)
        GA-2: Li Yan (yan.li@u.nus.edu)

3. Lab Sessions

 There will be two types of lab sessions. The first type is a contact session usually conducted in October wherein you can practice the example programs and get necessary assistance from graduate assistants (GAs). The second session is the demo session to be scheduled in November.

You are expected to attend at least one (full or partial) contact session on the scheduled date. If you have lecture for the whole duration of 3 hours, you can write to the respective GAs to join some other session. The respective GA will mark your attendance. Note that login accounts have already been created and you can to go the lab any time whenever you are free. You can correspond to your GA for consultation regarding this assignment.
